

Student with the highest scores of CSEPT and the Top 10 students for the greatest academic improvements

Application period:

Students will be awarded after written results of CSEPT are announced.

Application process:

The personnel of Registration Section will select students who are eligible for scholarships and inform the qualified students for application after the approval. No additional application is needed.

Scholarship will be awarded as follows:

1. The list of scholars will be posted on the website of Office of Academic Affairs. Scholars need to confirm their bank account information and the amounts within the application period.
2. Based on the payment process the scholarship will be remitted to the scholar's account within a month.
